

# National Science Foundation Grant Writing Workshop

## Hosted by: Mt. San Antonio College

April 9, 2010 8:30am - 4:30pm

**Attention:** Faculty from science, technology, engineering, and mathematics who are considering the submission of a proposal to the National Science Foundation, but are not versed in the complexities of grant writing. The workshop is also open to grants and development teams, as well as academic administrators.

**Workshop Details:** One-day grant writing workshop is co-sponsored by the National Science Foundation & the Council for Resource Development Region IX. The workshop will consist of a general overview of NSF funding opportunities, tips and common pitfalls to avoid, review and discussion of a sample NSF proposal, and evaluation, as well as a panel discussion of experienced NSF grantees.

**Registration:** \$35 registration fee (includes continental breakfast and lunch) Bring a team of four at only \$125. Please register online at the [CRD Region IX website](#). Registration will be capped at 50 individuals, be sure to register early.

### Workshop will be held at:

Mt. San Antonio College – Founders Hall  
1100 North Grand Avenue  
Walnut, CA 91789

### Travel Information:

Airport – LA/Ontario International Airport  
Accommodations –  
Shilo Inn Hotel or Shilo Inn Suites  
(see [registration website](#) for additional details)

To build upon the knowledge gained through the workshop, faculty participants are encouraged to submit a concept paper. As an incentive to completing this concept paper, individual faculty will be eligible for an award of \$200. Details will be shared at the workshop.

### Questions?

Catherine Crary, Maricopa Community Colleges, [catherine.crary@domail.maricopa.edu](mailto:catherine.crary@domail.maricopa.edu)  
Adrienne Price, Mt. San Antonio College, [APrice@mtsac.edu](mailto:APrice@mtsac.edu)

"This workshop is supported by a grant from the National Science Foundation - Grant No. 0702909."
