

Kudos for Presidents Fundraising Workshop

The presentations and group discussions were very valued added for me. I came away with new perspectives and many great ideas. Thanks again for the time and effort involved in supporting the development of your colleagues!

Thanks to both of the President presenters for giving so much of your time to this important topic and for your willingness to share your knowledge from significant years of experience. I appreciate knowing that there are consummate professionals like yourselves who are willing to spread your success to others.
